

Get U.S. buyer leads. Run the trip yourself.

Armstrong is the lead-introduction service for international dog couriers — we never escrow funds, never clear customs, never act as carrier. You handle the trip; we hand you the buyer. Pay as you go, never lock in upfront.

WHAT YOU GET

- **Hybrid Lead Pass** — \$9 one-time verification fee unlocks free-tier listing (1 lead/mo, growing to 4/mo on the trust ladder), then \$29 pay-per-lead, \$119 / \$399 credit packs, or \$199 / mo Pro Sub (unlimited leads).
- **Verified buyer intros** — buyers pay a \$9 intro fee, which filters tire-kickers and gives you serious inquiries only.
- **Lead credits never expire** — buy a 20-pack, use them across multiple months as buyer demand fluctuates.
- **Featured placement** (\$49 / 30d) bumps you to the top of the directory for buyers searching your route.
- **Secure trip-update timeline** — post EXIF-stripped photos and lagged GPS milestones to buyers without compromising your safety.
- **Click-wrapped click venue posture** — every Lead Pass purchase confirms Armstrong is the introduction service only, not the shipper / carrier / clearer / agent.
