

Sell food, merch, services — from your own /store.

Your own /store/<slug> with Stripe Tax + Connect destination charges. Local delivery + nationwide shipping. Printify integration for on-demand merch. You're the merchant of record.

WHAT YOU GET

- **Your own /store/<slug>** with custom branding, products, and order management.
- **Stripe Tax + Connect destination charges** — taxes calculated and remitted automatically.
- **Local-delivery ZIP gating** + nationwide shipping toggle per product.
- **Custom-order quoting** flow for one-off requests (training packages, custom blends, etc.).
- **Printify integration** for print-on-demand merch — no inventory required.
- **Storefront dashboard** with 30-day revenue, top products, low-stock alerts.

HOW IT WORKS

<p>01</p> <p>Open your store armstrongk9registry.com/me/store — claim slug, upload products, set delivery zones.</p>	<p>02</p> <p>List products Food, merch, custom orders, services. Stripe handles tax.</p>	<p>03</p> <p>Get paid Stripe Connect destination charges = direct payout, minus platform fee.</p>
