Armstrong Transport is the bid-based marketplace for ground dog transport. Every hauler is USDA-licensed with \$300K+ in commercial auto liability. Buyers fund escrow before pickup.

## WHAT YOU GET

- **Vetted dispatch board** — buyers submit requests, qualified haulers bid.
- **Stripe Connect direct deposit** on every completed haul. Escrow funds before you load.
- **\$300K commercial auto liability** minimum + USDA Class B license required for trust.
- **Calendar tracks pickups**, ETAs, and disputes in one view.
- **Escrow auto-releases 48h** after delivery confirmation. Disputes resolve by mutual written consent or a published mechanical timeline — Armstrong K9 Registry administers the rails, not the merits.
